

# I love you – Billie Eilish

It's not true

Tell me I've been lied to

Crying isn't like you

What the hell did I do

Never been the type to

Let someone see right through

Maybe won't you take it back

Say you were tryna make me laugh

And nothing has to change today

You didn't mean to say

"I love you"

I love you

And I don't want to

Up all night

On another red eye

I wish we never learned to fly

Maybe we should just try

To tell ourselves a good lie

I didn't mean to make you cry

Maybe won't you take it back

Say you were tryna

Make me laugh

And nothing has to Change today

You didn't mean to say

"I love you"

I love you

And I don't want to

The smile that you gave me

Even when you felt like dying

We fall apart as it gets dark

I'm in your arms in central park

There's nothing you

Could do or say

I can't escape the way

I love you

I don't want to

But I love you
