

# L'AMOUR DE MA VIE – Billie Eilish

I wish you the best for the rest of your life  
Felt sorry for you when I looked in your eyes  
But I need to confess, I told you a lie  
I said you, you  
Were the love of my life  
The love of my life  
Did I break your heart?  
Did I waste your time?  
I tried to be there for you  
Then you tried to break mine  
It isn't asking for a lot for an apology  
For making me feel like it'd kill you  
If I tried to leave  
You said you'd never fall in love again  
Because of me  
Then you moved on immediately (Bum, bum, bum)  
But I wish you the best  
For the rest of your life  
Felt sorry for you when I looked in your eyes  
But I need to confess, I told you a lie  
When I said you you  
Were the love of my life  
The love of my life  
So you found her,  
Now go fall in love  
Just like we were  
If I ever was  
It's not my fault,  
I did what I could  
You made it so hard like I knew you would  
Thought I was depressed or losing my mind  
My stomach upset almost all of the time  
But after I left, it was obvious why (Oh), mm  
Because for you, you  
I was the love of your life, mm  
But you were not mine
