

Bad – Billie Eilish (Michael Jackson cover)

Your butt is mine, gonna take you right
Just show your face in broad daylight
I'm telling you on how I feel
Gonna hurt your mind, don't shoot to kill

I'm giving you one count of three
To show your stuff or let it be
I'm telling you just watch your mouth
I know your game
What you're about

Well they say the sky's the limit
And to me that's really true
But my friend you have seen nothing
Just wait 'til I get through

Because I'm bad, I'm bad, c'mon
You know I'm bad, I'm bad, you know
You know I'm bad, I'm bad, I'm really really bad
And the whole world's got has to answer right now
Just to tell you once again
Who's bad?
The word is out
You're doing wrong
Gonna lock you up
Before too long
Your lying eyes
Gonna tell you right
So listen up
Don't make a fight
Your talk is cheap
You're not a man
You're throwing stones
To hide your hands
Well they say the sky's the limit
And to me that's really true

But my friend you have seen nothing
So just wait till I get through
Because I'm bad, I'm bad, c'mon
You know I'm bad, I'm bad, you know
You know I'm bad, I'm bad, I'm really really bad
And the whole world's got to answer right now
Just to tell you once again
Who's bad?
