

Wildflower – Billie Eilish

Things fall apart and time breaks your heart
I wasn't there, but I know
She was your girl, you showed her the world
You fell out of love and you both let go
She was cryin' on my shoulder,
All I could do was hold her
Only made us closer until July
Now I know that you love me,
You don't need to remind me
I should put it all behind me, shouldn't I?
But I see her in the back of my mind
All the time
Like a fever, like I'm burning alive
Like a sign
Did I cross the line?
Mm, hm
Well, good things don't last
And life moves so fast
I'd never ask who was better
Cause she couldn't be (she couldn't be)
More different from me (more different)
Happy and free (happy and free) in leather
And I know that you love me (you love me)
You don't need to remind me (remind me)
Wanna put it all behind me, but baby
I see her in the back of my mind
All the time (all the time)
Feels like a fever (like a fever),
Like I'm burning alive (burning alive)
Like a sign
Did I cross the line?
You say no one knows you so well (oh)
But every time you touch me,
I just wonder how she felt
Valentine's Day, cryin' in the hotel
I know you didn't mean to hurt me,

So I kept it to myself
And I wonder
Do you see her in the back of your mind?
In my eyes?
You say no one knows you so well
But every time you touch me,
I just wonder how she felt
Valentine's Day, cryin' in the hotel
I know you didn't mean to hurt me,
So I kept it to myself
