

White wedding – Billy Idol

Hey little sister, what have you done?
Hey little sister, who's the only one?
Hey little sister, who's your superman?
Hey little sister, who's the one you want?
Hey little sister, shot gun!
It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again
Hey little sister, what have you done?
Hey little sister, who's the only one?
I've been away for so long
I've been away for so long
I let you go for so long
It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again
(Pick it up)
Take me back home, yeah
There is nothin' fair in this world
There is nothin' safe in this world
And there is nothin' sure in this world
And there is nothin' pure in this world
Look for something left in this world
Start again
Come on
It's a nice day for a white wedding
It's a nice day to start again
It's a nice day for a white wedding
It's a nice day to start again
It's a nice day for a white wedding
It's a nice day for a white wedding
