

Crystalline – Björk

Underneath our feet
Crystals grow like plants
I'm blinded by the lights
In the core of the earth
Crystalline
Internal nebula
Rocks growing slow-mo
I conquer claustrophobia
And demand the lights
We mimic the openness
Of the ones we love
Dovetail our generosity
Equalizes the flow
With our hearts
We chisel quartz
To reach love
Crystalline
Internal nebula
Rocks growing slow-mo
I conquer claustrophobia
And demand the lights
Octagon, polygon
Pipes of an organ
Sonic branches
Murmuring drone
Crystalizing galaxies
Spread out like my fingers
Crystalline
Internal nebula
Rocks growing slow-mo
I conquer claustrophobia
(Crystalline)
And demand the lights
It's the sparkle you become
Conquer anxiety
Sparkle you become

Conquer anxiety
Sparkle you become
When you conquer anxiety
It's the sparkle you become
When you conquer anxiety
