

Paranoid – Black Sabbath

Finished with my woman 'cause
She couldn't help me with my mind
People think I'm insane because
I am frowning all the time
All day long I think of things
But nothing seems to satisfy
Think I'll lose my mind
If I don't find something to pacify
Can you help me
Occupy my brain
Oh yeah
I need someone to show me
The things in life
That I can't find
I can't see the things that make
True happiness, I must be blind
Make a joke and I will sigh
And you will laugh and I will cry
Happiness I cannot feel
And love to me is so unreal
And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish I could but it's too late
