## Paranoid – Black Sabbath

Finished with my woman 'cause she Couldn't help me with my mind People think I'm insane because I am frowning all the time All day long I think of things but Nothing seems to satisfy Think I'll lose my mind if I don't Find something to pacify Can you help me Occupy my brain? Oh yeah I need someone to show me the Things in life that I can't find I can't see the things that make true Happiness, I must be blind Make a joke and I will sigh and You will laugh and I will cry Happiness I cannot feel and Love to me is so unreal And so as you hear these words Telling you now of my state I tell you to enjoy life i Wish I could but it's too late
