

# Paranoid – Black Sabbath

Finished with my woman  
'Cause she couldn't help me with my mind  
People think I'm insane  
Because I am frowning all the time

All day long I think of things  
But nothing seems to satisfy  
Think I'll lose my mind  
If I don't find something to pacify

Can you help me occupy my brain?  
Oh yeah

I need someone to show me  
The things in life that I can't find  
I can't see the things that make true happiness  
I must be blind

Make a joke and I will sigh  
And you will laugh and I will cry  
Happiness I cannot feel  
And love to me is so unreal

And so as you hear these words  
Telling you now of my state  
I tell you to enjoy life  
I wish I could but it's too late
