

# TV crimes – Black Sabbath

One day in the life of the lonely  
Another day on the round about  
What do they need? Somebody to love  
One night in the life of the lonely  
There's a miracle on the screen  
What did they see? Somebody to love  
He guarantees you instant glory  
Get your money on the line  
Gotta send me a plastic Jesus  
There's a check in the mail today  
That's what I need Somebody to love  
We just won't meet on Sunday  
Gotta buy him a limousine  
Somewhere to live Somewhere to pray  
Every penny from the people  
Keeps the wolf outside the door  
Shop around and find forgiveness for yourself  
But he'll give you more, yeah  
Holy father, holy ghost  
Who's the one who pays the most  
Rock the cradle, don't you cry  
Buy another lullaby  
Jack is nimble, Jack is quick  
Pick your pocket, turn a trick  
Slow and steady, he's got time  
To commit another TV crime  
TV crime  
One day in the life of the lonely  
Back again on the round about  
What do they need Somebody to love Yeah  
One night in the life of the lonely  
Another miracle on the screen  
What did they see Somebody to love again  
A supermarket of salvation  
Take a look inside the store  
Shop around and find forgiveness for yourself

But he gives more  
Holy father, holy ghost  
Who's the one who hurts you most  
Rock the cradle when you cry  
Scream another lullaby  
Jack be nimble, Jack be slick  
Take the money, get out quick  
Slow and steady, so much time  
To commit another TV crime
