

# One Horse Town – Blackberry Smoke

In the tiny town where I come from  
You grew up doing what your daddy does  
And you don't ask questions you do it  
Just because  
You don't climb too high or dream too much  
With a whole lot of work  
And a little bit of luck  
You can wind up right back  
Where your daddy was  
This little bitty town  
It ain't nothing new  
We all stick around  
Cause they all tell us too  
Swallow your pride  
Just to make your family proud  
If I didn't think that it would shut  
The whole place down  
I'd ride my pony right  
Out of this one horse town  
Yeah this one horse town  
I'm an old married man  
At the age of twenty three  
Got two little boys on the baseball team  
And that might be their only ticket out  
All they got is a worn out name  
And a daddy that could've gone all the way  
But I hung my saddle up and I settled down  
This little bitty town,  
Oh it ain't nothing new  
We all stick around  
'cause they all tell us too  
Swallow your pride  
Just to make your family proud  
If I didn't think that it would shut the  
Whole place down  
I'd ride my pony right

Out of this one horse town  
Yeah this one horse town  
Oh yeah  
This little bitty town,  
Oh yeah it ain't nothing new  
We all stick around  
'cause they all tell us too  
Swallow your pride  
Just to keep your family proud  
If I didn't think that it would shut the  
Whole thing down  
I'd saddle that one horse and  
Ride it right out of this town
