

One Horse Town – Blackberry Smoke

In the tiny town where I come from
You grew up doing what your daddy does
And you don't ask questions you do it
Just because
You don't climb too high or dream too much
With a whole lot of work
And a little bit of luck
You can wind up right back
Where your daddy was
This little bitty town
It ain't nothing new
We all stick around
Cause they all tell us too
Swallow your pride
Just to make your family proud
If I didn't think that it would shut
The whole place down
I'd ride my pony right
Out of this one horse town
Yeah this one horse town
I'm an old married man
At the age of twenty three
Got two little boys on the baseball team
And that might be their only ticket out
All they got is a worn out name
And a daddy that could've gone all the way
But I hung my saddle up and I settled down
This little bitty town,
Oh it ain't nothing new
We all stick around
'cause they all tell us too
Swallow your pride
Just to make your family proud
If I didn't think that it would shut the
Whole place down
I'd ride my pony right

Out of this one horse town
Yeah this one horse town
Oh yeah
This little bitty town,
Oh yeah it ain't nothing new
We all stick around
'cause they all tell us too
Swallow your pride
Just to keep your family proud
If I didn't think that it would shut the
Whole thing down
I'd saddle that one horse and
Ride it right out of this town
