

Shadow Of The Moon – Blackmore's Night

In the shadow of the moon,
She danced in the starlight
Whispering a haunting tune
To the night
Velvet skirts spun 'round and 'round
Fire in her stare
In the woods without a sound
No one cared
Through the darkened fields entranced,
Music made her poor heart dance,
Thinking of a lost romance
Long ago...ooooooooo
Feeling lonely, feeling sad,
She cried in the moonlight
Driven by a world gone mad She took flight
"Feel no sorrow, feel no pain,
Feel no hurt, there's nothing gained
Only love will then remain,"
She would say
Shadow of the moon
Shadow of the moon
Shadow of the mooon
Shadow of the moon
Through the darkened fields entranced,
Music made her poor heart dance,
Thinking of a lost romance
Long ago..... oooooooooo
Somewhere just beyond the mist
Spirits were seen flying
As the lightning led her way
Through the dark ...
In the shadow of the moon,
She danced in the starlight
Whispering a haunting tune
To the night
Shadow of the moon

Shadow of the moon

Shadow of the moooon

Shadow of the moon

Shadow of the moon

Shadow of the moon

Shadow of the moooon
