

Ice Cream – BLACKPINK

Come a little closer
'cause you looking thirsty
I'ma make it better, sip it like a Slurpee
Snow cone, chilly
Get it free like Willy
In the jeans like Billie
You be poppin' like a wheelie
Even in the sun, you know I keep it icy
You could take a lick,
But it's too cold to bite me
Brrr, brrr, frozen
You're the one been chosen
Play the part like Moses
Keep it fresh like roses
Look so good, yeah, look so sweet
Looking good enough to eat
Coldest with the kiss,
So he call me ice cream
Catch me in the fridge right where the ice be
Look so good, yeah, look so sweet
Baby, you deserve a treat
Diamonds on my wrist so he call me ice cream
You could double dip
'cause I know you like me
Ice cream, chillin', chillin'
Ice cream, chillin'
Ice cream, chillin', chillin'
Ice cream, chillin'
I know that my heart could be so cold
But I'm sweet for you, come put me in a cone
You're the only touch, yeah,
That get me melting
He's my favorite flavor,
Always gonna pick him
You're the cherry piece,
Just stay on top of me so

I can't see nobody else for me, no
Get it, flip it, scoop it
Do it like that, ah-yeah, ah-yeah
Like it, love it, lick it
Do it like, la-la-la, oh yeah
Look so good, yeah, look so sweet
Looking good enough to eat
Coldest with the kiss,
So he call me ice cream
Catch me in the fridge right where the ice be
Look so good, yeah, look so sweet
Baby, you deserve a treat
Diamonds on my wrist, so he call me ice cream
You could double dip
'cause I know you like me
Ice cream, chillin', chillin'
Ice cream, chillin'
