

Who I am – Blog 27

I don't know, why it is
Life continues in the way it is
I'm not sure, anymore
What it is I think I'm asking for

In the deepness of my mind
I always knew this world's unkind

I'm gonna do the things I know I always wanted too
I'm gonna live my life the way I feel I wanna to
And I know I'll never lose myself in who I am
Nothing in this world could ever change me

Everyday, feels the same
Guess I'm tired of the same old game
Deep inside, I need to show
Which direction that I need to go

In the deepness of my soul
I always knew this world's cold

I'm gonna do the things I know I always wanted too
I'm gonna live my life the way I feel I wanna do
And I know I'll never lose myself in who I am
Nothing in this world could ever change me

I'm gonna do the things I know I always wanted too
I'm gonna live my life the way I feel I wanna do
And I know I'll never lose myself in who I am
Nothing in this world could ever change me
