

Breathe ft. Sean Paul – Blu Cantrell

Sean Paul and Blu Cantrell

Remix that gon' make the head swell, yo
Yo, hey, yo, boom, yo, hey, yo, dutty, yeah
So what's that supposed to be about, baby?
Gal, free up ya vibe and stop acting crazy
Reminisce 'pon all the good times daily
Why you trying to pose
Like I be acting shady?
What's that supposed to be about, baby?
Gal, free up ya vibe and stop acting crazy
Sean Paul give you the good loving daily
Now you trying to pose
Like I be acting shady?
You say you love me, say you love me
But you're never there for me, yeah
You be crying, slowly dying
When I decide to leave
All we do is make up, then break up
Why don't we wake up and see?
When love hurts, it won't work
Maybe we need some time alone
We need to let it breathe
So what's that supposed to be about, baby?
Gal, free up ya vibe and stop acting crazy
Reminisce 'pon all the good times daily
Why you trying to pose
Like I be acting shady?
You're only lonely when your homie
Ain't got a ride or no loot, yeah, uh-huh
Then comes the drama
Some other girl is claiming she's going out
With you
All we do is make up, then break up
Why don't we wake up and see?
When love hurts, it won't work
Maybe we need some time alone

We need to let it breathe
So what's that supposed to be about, baby?
Gal, free up ya vibe and stop acting crazy
Shady, Shady
Breathe, breathe
Dutty, yeah
Why, girl, for the fourth time
If I make it very clear to you
You're very dear to me
And all my heart me share to you
Me not unfair to you
Woman, I want fa real and make you know
That I will always draw near to you
But me know me nah no fair to you
Me stand up like a man and I'll be there
Because I care for you
Long time me a tell you me no have no gal
A compare to you
Woman, if you leave me now
I'm gonna shed a lot of tear for you
You want to breathe
And still you're not exhaling
Say you want to leave
'cause this relationship failing
Ain't nobody say that
It would be smooth sailing
Girl, I want to know why you bailing ship, yo
So what's that supposed to be about, baby?
Gal, free up ya vibe and stop acting crazy
Reminisce 'pon all the good times daily
