

Big Boys Don't Cry – Blue System

Big boys don't cry
She's hurting me more than before
I spend a lot of dollars for
For nothin', for nothin'
She left me like a broken toy
The jokes are made of lonely boys
For nothin'
I am a fool
I am a clown
I'm dying for nothing
I gave you love
You let me down
I'm dying for nothing
Oh, G T O baby
G T O baby
Big boys don't cry
(Big boys don't cry)
Oh, G T O baby
G T O baby
Big boys don't cry
(Big boys don't cry)
Big boys don't cry
I'm goin' for my thoughts, my girl
You're living in a different world
For nothin', for nothin'
I wasted days and wasted nights
I paid the price to hold you tight
For nothin'
I am a fool
I am a clown
I'm dying for nothing
Shine in my eyes
You let me down
I'm dying for nothing
Oh, G T O baby
G T O baby

Big boys don't cry
(Big boys don't cry)
Oh, G T O baby
G T O baby
Big boys don't cry
(Big boys don't cry)
Big boys don't cry
Oh, G T O baby
G T O baby
Big boys don't cry
(Big boys don't cry)
Oh, G T O baby
G T O baby
Big boys don't cry
(Big boys don't cry)
