

Big Yellow Taxi – Blue System

Hearts are good - too good for souvenirs
Oh, this song can remind me of love mysteries
Come lock my heart, and throw away the key
I'll be there with you (baby) till eternity
Take my heart - don't lose the flame, babe
I'm always chasing love again, babe
Take my heart - I'm drowning in your love

Refrain:

Oh, big yellow taxi, come drive me home -
My girl is waiting just for me
'cause she is alone
Oh, big yellow taxi, I'm sorry, sorry -
My girl is waiting just for me -
Don't tell me your story!
I can give you (baby) everything -
(oh, I'm under your spell) - buy you
Some golden rings
Feelings are the hardest words to say,
But my feelings grow stronger (babe)
Every day
Take my heart - don't lose the flame, babe
I'm always chasing love again, babe
Take my heart - I'm drowning in my love
