

I Want To Be Your Brother – Blue System

Sailor of my heart
Sailor of my fun
Oh, you need my stuff
Oh, we're born to run
Hear my heartbeat - hear my heartbeat
Babe, tonight, oh it's a lovebeat
In these lonely nights -
Oh, we'll come and go
How do fools survive ?
When your pain will grow
Hear my heartbeat - hear my heartbeat
Babe, tonight, oh it's a lovebeat
I want to be, be your brother be your
Brother,
Girl
I want to be your friend
I want to be, be your brother be your
Brother,
Girl
Baby, come take my hand
I want to be, be your brother be your
Brother,
Girl
I want to be your friend
I want to be, be your brother be your
Brother,
Girl
Baby, come take my hand
Sailor I don't care
If you're right or wrong
I will be there, when you're friends are gone
Hear my heartbeat - hear my heartbeat
Babe, tonight, it's a love beat
Sailor of your heart
Oh, it's out of tune
Oh, let us start - just to rock the moon

Hear my heartbeat - hear my heartbeat
Babe, tonight, oh it's a love beat
I want to be, be your brother be your
Brother,
Girl
I want to be your friend
I want to be, be your brother be your
Brother,
Girl
Baby, come take my hand
I want to be, be your brother be your
Brother,
Girl
I want to be your friend
Oh, let us stay in together girl
Baby, come take my hand
