

# I Want To Be Your Brother – Blue System

Sailor of my heart  
Sailor of my fun  
Oh, you need my stuff  
Oh, we're born to run  
Hear my heartbeat - hear my heartbeat  
Babe, tonight, oh it's a lovebeat  
In these lonely nights -  
Oh, we'll come and go  
How do fools survive ?  
When your pain will grow  
Hear my heartbeat - hear my heartbeat  
Babe, tonight, oh it's a lovebeat  
I want to be, be your brother be your  
Brother,  
Girl  
I want to be your friend  
I want to be, be your brother be your  
Brother,  
Girl  
Baby, come take my hand  
I want to be, be your brother be your  
Brother,  
Girl  
I want to be your friend  
I want to be, be your brother be your  
Brother,  
Girl  
Baby, come take my hand  
Sailor I don't care  
If you're right or wrong  
I will be there, when you're friends are gone  
Hear my heartbeat - hear my heartbeat  
Babe, tonight, it's a love beat  
Sailor of your heart  
Oh, it's out of tune  
Oh, let us start - just to rock the moon

Hear my heartbeat - hear my heartbeat  
Babe, tonight, oh it's a love beat  
I want to be, be your brother be your  
Brother,  
Girl  
I want to be your friend  
I want to be, be your brother be your  
Brother,  
Girl  
Baby, come take my hand  
I want to be, be your brother be your  
Brother,  
Girl  
I want to be your friend  
Oh, let us stay in together girl  
Baby, come take my hand
