

# That funny Feeling – Bo Burnham

I can't really, uh, play the guitar very well

Um, or sing, so, you know, apologies

[Verse 1]

Stunning 8K resolution meditation app

In honor of the revolution, it's half-off

At the Gap

Deadpool's self-awareness, loving parents,

Harmless fun

The backlash to the backlash to the

Thing that's just begun

There it is again

That funny feeling

That funny feeling

There it is again

That funny feeling

That funny feeling

The surgeon general's pop-up shop,

Robert Iger's face

Discount Etsy agitprop, Bugles' take on race

Female Colonel Sanders,

Easy answers, civil war

The whole world at your fingertips,

The ocean at your door

The live-action Lion King,

The Pepsi Halftime Show

Twenty-thousand years of this,

Seven more to go

Carpool Karaoke, Steve Aoki, Logan Paul

A gift shop at the gun range,

A mass shooting at the mall

There it is again

That funny feeling

That funny feeling

There it is again

That funny feeling

That funny feeling

Reading Pornhub's terms of service,  
Going for a drive  
And obeying all the traffic laws  
In Grand Theft Auto V  
Full agoraphobic, losing focus, cover blown  
A book on getting better  
Hand-delivered by a drone  
Total disassociation, fully out your mind  
Googling "derealization,"  
Hating what you find  
That unapparent summer air in early fall  
The quiet comprehending  
Of the ending of it all  
There it is again  
That funny feeling  
That funny feeling  
There it is again  
That funny feeling  
That funny feeling  
Hey, what can you say?  
We were overdue  
But it'll be over soon  
You wait  
Hey, what can you say?  
We were overdue  
But it'll be over soon  
Just wait  
Ba-da-da, ba-da-da, ba-da-da-da-da-da-da  
Hey, what can you say?  
We were overdue  
But it'll be over soon  
You wait  
Ba-da-da, ba-da-da, ba-da-da-da-da-da-da  
Hey, what can you say?  
We were overdue, oh  
But it'll be over soon  
You wait  
Ba-da-da, ba-da-da, ba-da  
Hey, what can you say?  
We were overdue

But it'll be over soon

You wait

Ba-da-da, ba-da-da, ba-da-da-da-da-da-da
