

That funny Feeling – Bo Burnham

I can't really, uh, play the guitar very well

Um, or sing, so, you know, apologies

[Verse 1]

Stunning 8K resolution meditation app

In honor of the revolution, it's half-off

At the Gap

Deadpool's self-awareness, loving parents,

Harmless fun

The backlash to the backlash to the

Thing that's just begun

There it is again

That funny feeling

That funny feeling

There it is again

That funny feeling

That funny feeling

The surgeon general's pop-up shop,

Robert Iger's face

Discount Etsy agitprop, Bugles' take on race

Female Colonel Sanders,

Easy answers, civil war

The whole world at your fingertips,

The ocean at your door

The live-action Lion King,

The Pepsi Halftime Show

Twenty-thousand years of this,

Seven more to go

Carpool Karaoke, Steve Aoki, Logan Paul

A gift shop at the gun range,

A mass shooting at the mall

There it is again

That funny feeling

That funny feeling

There it is again

That funny feeling

That funny feeling

Reading Pornhub's terms of service,
Going for a drive
And obeying all the traffic laws
In Grand Theft Auto V
Full agoraphobic, losing focus, cover blown
A book on getting better
Hand-delivered by a drone
Total disassociation, fully out your mind
Googling "derealization,"
Hating what you find
That unapparent summer air in early fall
The quiet comprehending
Of the ending of it all
There it is again
That funny feeling
That funny feeling
There it is again
That funny feeling
That funny feeling
Hey, what can you say?
We were overdue
But it'll be over soon
You wait
Hey, what can you say?
We were overdue
But it'll be over soon
Just wait
Ba-da-da, ba-da-da, ba-da-da-da-da-da-da
Hey, what can you say?
We were overdue
But it'll be over soon
You wait
Ba-da-da, ba-da-da, ba-da-da-da-da-da-da
Hey, what can you say?
We were overdue, oh
But it'll be over soon
You wait
Ba-da-da, ba-da-da, ba-da
Hey, what can you say?
We were overdue

But it'll be over soon

You wait

Ba-da-da, ba-da-da, ba-da-da-da-da-da-da
