No Woman No Cry – Bob Marley

No woman no cry No woman no cry No woman no cry No woman no cry Said said Said I remember when we used to sit In the government yard in Trenchtown Oba, ob-serving the hypocrites As they would mingle with the good people we meet Good friends we have had, Oh good friends we've lost along the way In this bright future You can't forget your past So dry your tears I say No woman, no cry No woman, no cry Oh my Little sister, don't she'd no tears No woman, no cry Said, said I remember when we used to sit In the government yard in Trenchtown And then Georgie would make the fire light Log wood burnin' through the night Then we would cook corn meal porridge Of which I'll share with you My feet is my only carriage So I've got to push on through But while I'm gone Everything's gonna be alright Ev'rything's gonna be alright

Ev'rything's gonna be alright

Ev'rything's gonna be alright
No woman, no cry
No, no woman, no woman, no cry
Oh, little sister, don't she'd no tears
No woman, no cry
No woman, no woman, no woman, no cry
No woman, no cry
No woman, no cry, yeah
