

Always – Bon Jovi

This romeo is bleeding
But you can't see his blood

It's nothing but some feelings
That this old dog kicked up

It's been raining since you left me
Now I'm drowning in the flood

You see I've always been a fighter
But without you I give up

Now I can't sing a love song
Like the way it's meant to be

Well, I guess I'm not that good anymore
But baby, that's just me

And I will love you, baby always
And I'll be there forever and a day always

Now your pictures that you left behind
Are just memories of a different life

Some that made us laugh, some that made us cry
One that made you have to say goodbye

What I'd give to run my fingers through your hair
To touch your lips, to hold you near

When you say your prayers try to understand
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near
When he says the words you've been needing to hear

I'll wish I was him 'cause those words are mine
To say to you till the end of time

Yeah, I will love you baby always
And I'll be there forever and a day always

If you told me to cry for you
I could

If you told me to die for you
I would

Take a look at my face
There's no price I won't pay

To say these words to you

Well, there ain't no luck
In these loaded dice

But baby if you give me just one more try
We can pack up our old dreams

And our old lives
We'll find a place where the sun still shines

And I will love you, baby always
And I'll be there forever and a day always

I'll be there till the stars don't shine
Till the heavens burst

And The words don't rhyme
And I know when I die, you'll be on my mind
And I'll love you always
