

# Total eclipse of the heart – Bonnie Tyler

Turn around

Every now and then I get a little bit lonely  
And you're never coming 'round

Turn around

Every now and then I get a little bit tired  
Of listening to the sound of my tears

Turn around

Every now and then I get a little bit nervous  
That the best of all the years have gone by

Turn around

Every now and then I get a little bit terrified  
And then I see the look in your eyes

Turn around bright eyes

Every now and then I fall apart

Turn around bright eyes

Every now and then I fall apart

Turn around

Every now and then I get a little bit restless  
And I dream of something wild

Turn around

Every now and then I get a little bit helpless  
And I'm lying like a child in your arms

Turn around

Every now and then I get a little bit angry  
And I know I've got to get out and cry

Turn around

Every now and then I get a little bit terrified  
But then I see the look in your eyes

Turn around bright eyes

Every now and then I fall apart

Turn around bright eyes

Every now and then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks

I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

Turn around bright eyes  
Every now and then I fall apart  
Turn around bright eyes  
Every now and then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do, I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight  
Forever's gonna start tonight  
Forever's gonna start tonight

Once upon a time I was falling in love  
But now I'm only falling apart  
Nothing I can do  
A total eclipse of the heart  
Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

A total eclipse of the heart  
Turn around bright eyes  
Turn around bright eyes  
Turn around  
Oooh
