

JoJo Siwa – BOOMERANG

I don't really care about what they say
I'mma come back like a boomerang
Won't let the haters get their way
I'mma come back like a boomerang
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
I'mma come back like a boomerang
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
I'mma—I'mma come back

They can keep talking their talk
But I'mma keep walking my walk
And I won't hear a sound

Yeah, they're just trying to see
If they can get the best of me
Well, not this time around

Stuck to the phone
Like they're all alone
Hide behind the screen
'Cause they're just so mean
But we don't play it like that
We don't even fight back

All of their words
We just brush it off
Saying we're fake
No, we're not
Trying to throw us off track
But we know how to come back

I don't really care about what they say

I'mma come back like a boomerang
Won't let the haters get their way, hey, hey, hey, hey!
I'mma come back like a boomerang
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
I'mma come back like a boomerang, hey, hey, hey!
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
Ooh, ooh, whoa, ah
I'mma, I'mma come back

Try to try to make me stop
But I'mma climbing to the top
Just look how far I've go-one

Bigger, better, faster, stronger
Yeah, see I ain't just a talker
Catch me if you can, hey
Catch us if you can, hey!

Stuck to the phone
Like they're all alone
Hide behind the screen
'Cause they're just so mean
But we don't play it like that, what?
We don't even fight back, uh-huh

All of their words
We just brush it off
Saying we're fake, yeah,
No, we're not
Trying to throw us off track
But we know how to come back

I don't really care about what they say
I'mma come back like a boomerang, hey, hey!
Won't let the haters get their way
I'mma come back back back like, I'm, I'm, I'm, I'm, I'mma
Try try to throw us off track, hey, hey, hey!

I'm, I'm, I'm, I'm a,

Hey, hey, hey!

We know how to come back
I don't really care about what they say
I'mma come back like a boomerang
Won't let the haters get their way, way
I'mma come back like a boomerang

I'mma come back I'mma, I'mma come back

Bigger better faster stronger
Yeah, see I ain't just a talker
Catch me if you can, hey
Catch us if you can, hey, hey hey hey, hey!
