

# HURT – Brenda Lee

I'm so hurt to think that you  
Lied to me  
I'm hurt way down deep inside of me  
You said our love was true  
And we'll never, never part  
Now you've got someone new  
And it breaks my heart  
I'm hurt, much more than you'll ever know  
Yes darling, I'm so hurt Because  
I still love you so  
Even though you hurt me  
Like nobody else could ever do  
I would never hurt, hurt you
