

# Dying To Try – Brendan Murray

Take a leap of faith with me  
If you believe honestly  
That I am yours and you are mine  
I know you're scared, and so am I  
'Cause I know that love can be so strong  
And yet so frail  
And there ain't no guarantee  
That you and me won't fail  
But I'm dying to try  
I'm dying to try  
I'll keep you safe in my arms  
Build a bridge to your heart every day  
I'll give you it all  
But I'm not gonna lie  
'Cause no one can promise  
That love will ever learn how to fly  
Will ever learn how to fly, oh...  
But I'm dying to try, but I'm dying to try  
Yeah...  
I'm dying to try, I'm dying to try  
I'll keep you safe in my arms  
Build a bridge to your heart every day  
I'll give you it all  
But I'm not gonna lie  
Oh, 'cause no one can promise  
That love will ever learn how to fly  
Oh, 'cause no one can promise  
That love will ever learn how to fly  
But I'm dying to try  
Take a leap if you believe
