

Avalanche – Bring Me The Horizon

Cut me open and tell me what's inside
Diagnose me cause I can't keep wondering why
And no it's not a phase cause it happens all the time
Start over, check again, now tell me what you find

Cause I'm going out of frequency
Can anyone respond?

It's like an avalanche
I feel myself go under
Cause the weight of it's like hands around my neck
I never stood a chance
My heart is frozen over
And I feel like I am treading on thin ice

Am I broken? What's the chance I will survive?
Don't sugarcoat me, cause I feel like suicide
Just give it to me straight cause I'm running out of time
I need an antidote, now what can you prescribe

It's like an avalanche
I feel myself go under
Cause the weight of it's like hands around my neck
I never stood a chance
My heart is frozen over
And I feel like I am treading on thin ice
And I'm going under

I need a cure for me cause a square doesn't fit the circle
Give me a remedy cause my head wasn't wired for this world
I need a cure for me cause a square doesn't fit the circle
Give me a remedy cause my head wasn't wired for this world

Cause I'm going out of frequency
Can anyone respond?
Cause I'm going out of frequency

Can anyone respond?

It's like an avalanche

I feel myself go under

Cause the weight of it's like hands around my neck

I never stood a chance

My heart is frozen over

And I feel like I am treading on thin ice

And I'm going under

I need a cure for me cause a square doesn't fit the circle

Give me a remedy cause my head wasn't wired for this world

I need a cure for me cause a square doesn't fit the circle

Give me a remedy cause when it hits,

Well it hits like an avalanche
