Drown – Bring Me The Horizon

What doesn't kill you Makes you wish you were dead Got a hole in my soul growing deeper and deeper And I can't take One more moment of this silence The loneliness is haunting me And the weight of the world's getting harder to hold up

It comes in waves I close my eyes Hold my breath And let it bury me I'm not ok And it's not alright Won't you drag the lake And bring me home again?

Who will fix me now? Dive in when I'm down? Save me from myself Don't let me drown Who will make me fight? Drag me out alive? Save me from myself Don't let me drown

What doesn't destroy you Leaves you broken instead Got a hole in my soul growing deeper and deeper And I can't take One more moment of this silence The loneliness is haunting me And the weight of the world's getting harder to hold up

It comes in waves I close my eyes Hold my breath And let it bury me I'm not ok And it's not alright Won't you drag the lake And bring me home again

Who will fix me now? Dive in when I'm down? Save me from myself Don't let me drown Who will make me fight? Drag me out alive? Save me from myself Don't let me drown

'Cause you know that I can't do this on my own 'Cause you know that I can't do this on my own

Who will fix me now? Who will fix me now?

Who will fix me now? Dive in when I'm down? Save me from myself Don't let me drown
