

Sleepwalking – Bring Me The Horizon

My secrets are burning a hole through my heart
And my bones catch a fever
When it cuts you up this deep
It's hard to find a way to breathe

Your eyes are swallowing me
Mirrors start to whisper
Shadows start to sing
My skin's smothering me
Help me find a way to breathe

Time stood still
The way it did before
It's like I'm sleepwalking
Fell into another hole again
It's like I'm sleepwalking

I'm at the edge of the world
Where do I go from here?
Do I disappear?
Edge of the world
Should I sink or swim?
Or simply disappear?

Your eyes are swallowing me
Mirrors start to whisper
Shadows start to sing
My skin's smothering me
Help me find a way to breathe

Sing it!

Time stood still
The way it did before
It's like I'm sleepwalking
Fell into another hole again

It's like I'm sleepwalking

Wake up!

Take my hand and

Give me a reason to start again

Wake up!

Pull me out and

Give me a reason to start again

Time stands still

(Time stands still)

Time stands still

(Time stands still)

Your eyes are swallowing me

Mirrors start to whisper

Shadows start to sing

My skin's smothering me

Help me find a way to breathe

Time stood still

The way it did before

It's like I'm sleepwalking

Fell into another hole again

It's like I'm sleepwalking

(It's like I'm sleepwalking)

(It's like I'm sleepwalking)

(It's like I'm sleepwalking)

Time stood still

The way it did before

It's like I'm sleepwalking
