

Baby One More Time – Britney Spears

Oh baby, baby
How was I supposed to know
That something wasn't right here
Oh baby baby
I shouldn't have let you go
And now you're out of sight, yeah
Show me, how you want it to be
Tell me baby
'Cause I need to know now what we've got
My loneliness is killing me
I must confess I still believe(still believe)
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
Oh baby, baby
The reason I breathe is you
Boy you've got me flying
Oh pretty baby
There's no-thing that I wouldn't do
It's not the way I planned it
Show me, how you want it to be
Tell me baby
'Cause I need to know now what we've got
My loneliness is killing me
I must confess I still believe(still believe)
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
Oh baby, baby
How was I supposed to know
Oh pretty baby, I shouldn't have let you
Gooooooooooooo
I must confess, that my loneliness
Is killing me now
Don't you know I still believe
That you will be here

Now give me a sign
Hit me baby one more time
My loneliness is killing me
I must confess I still believe(still believe)
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
My loneliness is killing me
I must confess I still believe(still believe)
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
