

# Born to make you happy – Britney Spears

Oh my love  
Oh yeah, oh yeah

I'm sitting here alone up in my room  
And thinking about the times that we've been through, oh  
My love  
I'm looking at a picture in my hand  
Trying my best to understand  
I really wanna know what we did wrong  
With a love that felt so strong

If only you were here tonight  
I know that we could make it right

I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy

I know I've been a fool since you've been gone  
I'd better give it up and carry on, oh my love  
'Cause living in a dream of you and me  
Is not the way my life should be  
I don't wanna cry a tear for you  
So forgive me if I do

If only you were here tonight  
I know that we could make it right

I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart

I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy

Oh yeah, oh yeah

I'd do anything, I'd give you my world  
I'd wait forever, to be your girl  
Just call out my name and I will be there  
Just to show you, how much I care

Oh yeah  
I was born to make you happy  
Yeah, yeah, yeah, uh  
Oh yeah

I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy

Oh no  
I was born to make you happy  
Oh yeah, oh, oh  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy
