

Circus – Britney Spears

There's only two types of people in the world
The ones that entertain and the ones that observe
Well baby, I'm a put-on-a-show kind of girl
Don't like the backseat, gotta be first

I'm a like the ringleader, I call the shots
(Call the shots)
I'm like a firecracker I make it hot
When I put on a show

I feel the adrenaline moving through my veins
Spotlight on me and I'm ready to break
I'm like a performer, the dancefloor is my stage
Better be ready, hope that you feel the same

All eyes on me in the center of the ring just like a circus
When I crack that whip, everybody gon' trip just like a circus
Don't stand there watching me, follow me, show me what you
Can do

Everybody let go, we can make a dancefloor just like a circus

There's only two types of guys out there
Ones that can hang with me and ones that are scared
So baby, I hope that you came prepared
I run a tight ship so beware

I'm a like the ringleader, I call the shots
(Call the shots)
I'm like a firecracker, I make it hot
When I put on a show

I feel the adrenaline moving through my veins
Spotlight on me and I'm ready to break
I'm like a performer, the dancefloor is my stage
Better be ready, hope that you feel the same

All eyes on me in the center of the ring just like a circu
When I crack that whip, everybody gon' trip just like a ci
Don't stand there watching me, follow me, show me what you
Can do

Everybody let go, we can make a dancefloor just like a cir

Let's go

Let me see what you can do

I'm running this like-like-like a circus

Yeah, like a what? Like-like-like a circus

All eyes on me in the center of the ring just like a circu
When I crack that whip, everybody gon' trip just like a ci
Don't stand there watching me, follow me, show me what you
Can do

Everybody let go, we can make a dancefloor just like a cir

All eyes on me in the center of the ring just like a circu
When I crack that whip, everybody gon' trip just like a ci
Don't stand there watching me, follow me, show me what you
Can do

Everybody let go, we can make a dancefloor just like a cir
