

# Crazy – Britney Spears

Baby, I'm so into you  
You got that something, what can I do?  
Baby, you stood me around  
The earth is moving but I can't feel the ground

Every time you look at me  
My heart is jumping, it's easy to see

You drive me crazy, I just can't sleep  
I'm so excited, I'm in too deep  
Oh crazy, but it feels alright  
Baby, thinking of you keeps me up all night

Tell me, you're so into me  
That I'm the only one you will see  
Tell me, I'm not in the blue  
That I'm not wasting my feelings on you

Loving you means so much more  
More than anything I ever felt before

You drive me crazy, I just can't sleep  
I'm so excited, I'm in too deep  
Oh crazy, but it feels alright  
Baby, thinking of you keeps me up all night

You drive me crazy, you drive me crazy, baby  
I'm so excited, I'm in too deep  
Oh crazy, you make me feel alright  
Baby, thinking of you keeps me up all night

You drive me crazy, you drive me crazy baby  
Oh crazy, but it feels alright  
Baby thinking of you keeps me up all night  
Baby thinking of you keeps me up all night
