

Everytime – Britney Spears

Notice me
Take my hand
Why are we
Strangers when
Our love is strong?
Why carry on without me?

Everytime I try to fly
I fall without my wings
I feel so small
I guess I need you baby
An' everytime I see you in my dreams
I see your face, it's haunting me
I guess I need you baby

I make believe
That you are here
It's the only way
I see clear
What have I done?
You seem to move on easy

An' everytime I try to fly
I fall without my wings
I feel so small
I guess I need you baby
And everytime I see you in my dreams
I see your face, you're haunting me
I guess I need you baby

I may have made it rain
Please forgive me
My weakness caused you pain
And this song is my sorry
Oooh

At night I pray
That soon your face
Will fade away

An' everytime I try to fly
I fall without my wings
I feel so small
I guess, I need you baby
And everytime I see you in my dreams
I see your face, you're haunting me
I guess I need you baby
