I need time (time)

Love (love)

Joy (joy)

I need space

I need me

(Action!)

Say hello, to the girl, that I am

You're gonna have to see

Out of my perspective

I need to make mistakes

Just to learn, who I am

And I don't wanna be

So damn protected

There must be another way

'Cause I believe in taking chances

But who am I to say?

What a girl is to do?

God I need some answers

What am I to do with my life?

(You will find it out don't worry)

How am I supposed to know what's right?

(You just gotta do it your way)

I can't help the way I feel

But my life has been

So overprotected

I tell 'em what I like

What I want, and what I don't

But everytime I do

I stand corrected

Things that I've been told

I can't believe

What I hear about the world, I realize

I'm over 'verprotected

There must be another way
'Cause I believe in taking chances
But who am I to say?
What a girl is to do?
God I need some answers

What am I to do with my life?
(You will find it out, don't worry)
How am I supposed to know what's right?
(You just gotta do it your way)
I can't help the way I feel
(Help the way I feel)
But my life has been so overprotected

I need... time (love)
I need... space
(This is it, this is it)

I don't need nobody telling me just what I wanna
What I want what, what I'm gonna
(I need)
Do about my destiny
(I say no, no)
Nobody's telling me just what I wanna
(Do, do)
I'm so fed up with people telling me to be
Someone else but me

(Action!)

(Yeah, yeah, yeah)
What am I to do with my life?
(You will find it out, don't worry)
How am I supposed to know what's right?
(You just gotta do it your way)
I can't help the way I feel
(Feel)
But my life has been

So overprotected

I don't need nobody telling me just what I wanna
What I want what, what I'm gonna
Do about my destiny
(I say no, no)
Nobody's telling me just what I wanna
(Do, do)
I'm so fed up with people telling me to be
Someone else but me

What am I to do with my life?
(You will find it out, don't worry)
How am I supposed to know what's right?
(You just gotta do it your way)
Oh, I can't help the way I feel
(Help the way I feel)
But my life has been
So overprotected
