

# Overprotected – Britney Spears

I need time

(Time)

Love

Joy

(Joy)

I need space

(And love)

I need me

(Action)

Say hello, to the girl, that I am

You're gonna have to see

Out of my perspective

I need to make mistakes

Just to learn, who I am

And I don't wanna be

So damn protected

There must be another way

'Cause I believe in taking chances

But who am I to say?

What a girl is to do?

God I need some answers

What am I to do with my life?

(You will find it out don't worry)

How am I supposed to know what's right?

(You just gotta do it your way)

I can't help the way I feel

But my life has been

So overprotected

I tell 'em what I like

What I want, and what I don't

But everytime I do

I stand corrected

Things that I've been told  
I can't believe  
What I hear about the world, I realize  
I'm over 'verprotected

There must be another way  
'Cause I believe in taking chances  
But who am I to say?  
What a girl is to do?  
God I need some answers

What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
(Help the way I feel)  
But my life has been so overprotected

I need time  
(Love)  
I need space  
(This is it)

I don't need nobody telling me just what I wanna  
What I want what, what I'm gonna  
(I need)  
Do about my destiny  
(I say no, no)  
Nobody's telling me just what I wanna  
(Do, do)  
I'm so fed up with people telling me to be  
Someone else but me  
(Action)

(Yeah, yeah, yeah)  
What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)

I can't help the way I feel

(Feel)

But my life has been

So overprotected

I don't need nobody telling me just what I wanna

What I want what, what I'm gonna

Do about my destiny

(I say no, no)

Nobody's telling me just what I wanna

(Do, do)

I'm so fed up with people telling me to be

Someone else but me

What am I to do with my life?

(You will find it out, don't worry)

How am I supposed to know what's right?

(You just gotta do it your way)

Oh, I can't help the way I feel

(Help the way I feel)

But my life has been

So overprotected
