

# W – Britney Spears

Calling out your name  
Your face is everywhere  
I'm reaching out to you  
To find that you're not there  
I wake up every night  
To see the state I'm in  
It's like an endless fight  
I never seem to win  
I can't go on as long as I believe  
Can't let go when I keep wondering

Where are you now, what have you found  
Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go

I can hear your voice  
The ring of yesterday  
It seems so close to me  
But yet so far away  
I should let it out  
To save what's left of me  
And close the doors of doubt  
Revive my dignity  
Bit, I can't go on as long as I believe  
Can't let go when I keep wondering

Where are you now, what have you found  
Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go

I should let it out, it's time to let you go  
Oh baby, I just want to know

Where are you now, what have you found

Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go

Where are you now, what have you found  
Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go
