## Boot Scootin' Boogie – Brooks And Dunn

Out in the country Past the city limits sign Where there's a honky tonk Near the County line The joint starts jumpin' Every night when the sun goes down

They got whiskey women Music and smoke It's where all the cowboy folk Go to boot scootin' boogie

I got a good job I work hard for my money When it's quittin' time I hit the door runnin' I fire up my pickup truck And let the horses run

I go flyin' down that highway To that hide a way Stuck out in the woods To do the boot scootin' boogie

Yeah heel toe docie doe Come on baby let's go boot scootin' Oh Cadillac black Jack Baby meet me outback we're gonna boogie Oh get down turn around Go to town boot scootin' boogie

The bartender asks me "Say son what'll it be" I want a shot at that redhead Yonder lookin' at me The dance floors hoppin' and It's hotter than the fourth of July

I see outlaws inlaws crooks And straights All out makin' it shake Doin' the boot scootin' boogie

Yeah heel toe docie doe Come on baby let's go boot scootin' Oh Cadillac black Jack Baby meet me outback we're gonna boogie Get down turn around go to town Boot scootin' boogie

Oh heel toe docie doe Come on baby let's go boot scootin' Yeah Cadillac black Jack Baby meet me outback we're gonna boogie Yeah get down turn around go to town Boot scootin' boogie

I say get down turn around go to town Boot scootin' boogie Oh get down turn around go to town Boot scootin' boogie
