Streets of Philadelphia - Bruce Springsteen

I was bruised and battered I couldn't Tell what I felt I was Nrecognizable to myself Saw my Reflection in a window And didn't Know my own face Oh brother Are You Gonna leave me wastin' away On the streets of Philadelphia? I walked the avenue, 'til my legs Felt like stone I heard the voices of friends Vanished and gone At night I could Hear the blood in my veins **Just** as Black and whispering as the rain On the streets of Philadelphia Ain't no angel gonna greet me It's just you and I my friend And my clothes don't fit me no more A thousand miles just to slip this skin The night has fallen, I'm lyin' awake I can feel myself fading away So receive me brother with your Faithless kiss Or will We leave each other alone like this On the streets of Philadelphia?
