

Show Me – Bruno Mars

Oh yeah, oh yeah
Baby here we are again, ooh

I can see it in your eyes, you want a good time
You wanna put your body on mine
Alright but don't change your mind, don't you change it,
Oh no! Oh yeah you called me today, drove all this way
So don't let this bus go to waste, oh no
Your pleasure pleasure island is where we can go

No I won't think you're easy, no I won't think you're fast
Your eyes saying please me but your lips care to ask
No need to fight it when you know it feels right
You say you're a woman who knows what she likes

Then show me, you got to you got to show me
You tell me all day that you're lonely
But show me show me show me tonight, yeah
Girl show me, you got to you got to show me
You tell me all day that you're lonely
But show me show me show me tonight, yeah

Love the way that you laugh, the way that you smile
Makes me feel like you've been waiting a while
But guess what? Darling, I've been waiting too
So let's ride, we can get freaky tonight
Right is your ticket to ride
Tell me girl what you gon' do

No I won't think you're easy, no I won't think you're fast
Your eyes saying please me but your lips care to ask
No need to fight it when you know it feels right
You say you're a woman who knows what she likes

Then show me, you got to you got to show me
You tell me all day that you're lonely

But show me show me show me tonight, yeah
Girl show me, you got to you got to show me
You tell me all day that you're lonely
Show me show me show me tonight

It's getting freaky in this room room room
Now let me hear you say you want that boom boom boom
We can take it slow, we can zoom zoom zoom
Baby if you're ready for that ah, ah ah

It's getting freaky in this room room room
Now let me hear you say you want that boom boom boom
We can take it slow, we can zoom zoom zoom
Baby if you're ready for that ah, ah ah

Then show me, you got to you got to show me
You tell me all day that you're lonely
But show me show me show me tonight, yeah
Girl show me, you got to you got to show me
You tell me all day that you're lonely
But show me show me show me tonight, yeah
