## Show Me - Bruno Mars

Oh yeah, oh yeah Baby here we are again, ooh

I can see it in your eyes, you want a good time You wanna put your body on mine Alright but don't change your mind, don't you change it, Oh no! Oh yeah you called me today, drove all this way So don't let this bus go to waste, oh no Your pleasure pleasure island is where we can go

No I won't think you're easy, no I won't think you're fast Your eyes saying please me but your lips care to ask No need to fight it when you know it feels right You say you're a woman who knows what she likes

Then show me, you got to you got to show me You tell me all day that you're lonely But show me show me tonight, yeah Girl show me, you got to you got to show me You tell me all day that you're lonely But show me show me tonight, yeah

Love the way that you laugh, the way that you smile Makes me feel like you've been waiting a while But guess what? Darling, I've been waiting too So let's ride, we can get freaky tonight Right is your ticket to ride Tell me girl what you gon' do

No I won't think you're easy, no I won't think you're fast Your eyes saying please me but your lips care to ask No need to fight it when you know it feels right You say you're a woman who knows what she likes

Then show me, you got to you got to show me You tell me all day that you're lonely But show me show me tonight, yeah Girl show me, you got to you got to show me You tell me all day that you're lonely Show me show me tonight

It's getting freaky in this room room Now let me hear you say you want that boom boom We can take it slow, we can zoom zoom Baby if you're ready for that ah, ah ah

It's getting freaky in this room room room Now let me hear you say you want that boom boom We can take it slow, we can zoom zoom Baby if you're ready for that ah, ah ah

Then show me, you got to you got to show me You tell me all day that you're lonely But show me show me tonight, yeah Girl show me, you got to you got to show me You tell me all day that you're lonely But show me show me tonight, yeah
