

# The Last Fight – Bullet For My Valentine

I don't wanna stand beside you  
I don't wanna try and feel  
The pain you're going through  
'Til the death, you'll see this through  
Cold sweats, hallucinations  
I wanna scream to show  
The hell I'm going through  
The addiction's taking you  
Can you see me through bloodshot eyes?  
(Through bloodshot eyes)  
Should I fight for what  
Is right or let it die?  
Now I'm choking on force-fed lies  
Do I fight or let it die?  
I will fight  
One more fight  
Don't break down in front of me  
I will fight  
Will you fight?  
I am not the enemy  
I will try  
One last time  
Are you listening to me?  
I will fight  
The last fight  
I am not your enemy  
Everyone is sick of caring  
No silver lining on the cloud that covers you  
Let it pour and soak you through  
No hope, just desperation  
So, sit and wait for death and  
Pray it takes you soon  
The addiction's taking you  
Can you see me through bloodshot eyes?  
(Through bloodshot eyes)  
Should I fight for what

Is right or let it die?  
Now I'm choking on force-fed lies  
Do I fight or let it die?  
I will fight  
One more fight  
Don't break down in front of me  
I will fight  
Will you fight?  
I am not the enemy  
I will try  
One last time  
Are you listening to me?  
I will fight  
The last fight  
I am not your enemy  
Can you feel me through bloodshot eyes?  
(Through bloodshot eyes)  
Should I fight another night or let it die?  
Now I'm choking on every lie  
Do I fight or let it die?  
I will fight  
One more fight  
Don't break down in front of me  
I will fight  
Will you fight?  
I am not the enemy  
I will try  
One last time  
Are you listening to me?  
I will fight  
The last fight  
I am not your enemy!  
I am not your, not your enemy!  
I am not your enemy
