

# Capybara – Bunny Clogs

Now if I had a capybara  
I'd name him Jimmy  
Let him play my guitar-a  
But if you had a capybara  
I'd be doctor and you could be Lara  
I wanna play with my capybara  
I want it today  
And not tomorrow  
They live in Venezuela  
It's really far-a  
I wanna play  
With my capybara  
Well if you had a capybara  
I'd be more than happy to borrow  
But if I had a capybara  
I'd feed him yoghurt  
Let him drive my car-a  
I wanna play with my capybara  
I want it today  
And not tomorrow  
They live in Venezuela  
It's really far-a  
I wanna play  
With my capybara  
Capy  
Bara  
Capy  
Bara  
Capy  
Bara  
Capy  
Bara  
Well if you've never seen a capybara  
It's like a deer and a rat with mascara  
Now that we've talked about the capybara  
Next we're gonna talk about tuatara

I wanna play with my capybara  
I want it today  
And not tomorrow  
They live in Venezuela  
It's really far-a  
I wanna play  
I wanna play with my capybara  
I want it today, and not tomorrow  
They live in Venezuela, it's really far-a  
I wanna play  
With my capybara  
Capy  
Bara  
Capy  
Bara  
Capy  
Bara  
Capy  
Bara
