## Glycerine - Bush

It must be your skin, I'm sinkin' in It must be for real, 'cause now I can feel And I didn't mind, it's not my kind It's not my time, to wonder why Everything gone white, everything's grey Now you're here, now you're away I don't want this, remember that I'll never forget, where you're at Don't let the days go by Glycerine, glycerine I'm never alone, I'm alone all the time Are you at one, or do you lie We live in a wheel, where everyone steals But when we rise, it's like strawberry fields If I treated you bad, you'd bruise my face Couldn't love you more, You've got a beautiful taste Don't let the days go by Could have been easier on you I couldn't change though I wanted to Should have been easier by three Our old friend fear and you and me Glycerine, glycerine Don't let the days go by, glycerine Don't let the days go by Ah, ah-ah-ah, ah-ah-ah-ah-ah Glycerine, glycerine Oh, glycerine, glycerine Bad moon whine again Bad moon whine again As she falls around me I needed you more, we wanted us less Could not kiss, just regress It might just be clear, simple, and plain Well that's just fine, That's just one of my names

Don't let the days go by Could've been easier on you you you Glycerine, glycerine Glycerine, glycerine
