

Letting The Cables Sleep – Bush

You in the dark
You in the pain
You on the run

Living a hell
Living your ghost
Living your end

Never seem to get in the place that I belong

Don't want to lose the time
Lose the time to come

Whatever you say it's alright
Whatever you do it's all good
Whatever you say it's alright

Silence is not the way
We need to talk about it

If heaven is on the way
If heaven is on the way

You in the sea
On a decline
Breaking the waves

Watching the lights go down

Letting the cables sleep

Whatever you say it's alright
Whatever you do it's all good
Whatever you say it's alright

Silence is not the way

We need to talk about it

If heaven is on the way
We'll wrap the world around it

If heaven is on the way
If heaven is on the way

I'm a stranger in this town
I'm a stranger in this town
I'm a stranger in this town

If heaven is on the way
If heaven is on the way

I'm a stranger in this town
I'm a stranger in this town
