

Lay Your Love On Me – BWO

I can feel the earth is moving
When the clock strikes twelve it's time to go out
I can tell the club is grooving
'Cause you just walked in, you're out and about
On and on from dusk till dawn
The party's going on, I guarantee, o-o-o-o-oh
We can dance all night with the bourgeoisie
O-oh, o-oh, lay your love on me
Take a chance on me, take the liberty
O-oh, o-oh, lay your love on me
You'll confess it on the dance floor
You betray your heart when looking my way
I don't plan to join the peace core
But I'll drop my guns and bring the bouquet
On and on from dusk till dawn
The party's going on, I guarantee, o-o-o-o-oh
We can dance all night with the bourgeoisie
O-oh, o-oh, lay your love on me
Take a chance on me, take the liberty
O-oh, o-oh, lay your love on me
Lay your love, lay your love, love on me
Lay your love, lay your love, love on me
I can feel the earth is moving
I can tell the club is grooving
'Cause you just walked in
We can dance all night with the bourgeoisie
O-oh, o-oh, lay your love on me
Take a chance on me, take the liberty
O-oh, o-oh, lay your love on me
Lay your love, lay your love, love on me
Lay your love, lay your love, love on me
We can dance all night with the bourgeoisie
O-oh, o-oh, lay your love on me
Take a chance on me, take the liberty
O-oh, o-oh, lay your love on me
