Temple Of Love - BWO

Want love oh oh oh We all need love oh oh oh oh We all want love oh oh oh oh Get it right in the heat of the night Bass is thumping crowd is jumping Shake your body the beats keep on pumping I'm excited candyguided On the floor when we all dance united Thunder rolls from the heavens above When we enter the gates to the temple of love Want love oh oh oh We all need love oh oh oh We all want love oh oh oh oh Get it right in the heat of the night We all want love oh oh oh We all need love oh oh oh oh We all want love oh oh oh Get it right in the heat of the night I'm on fire take me higher Drown my heart in a pool of desire Keep on shining intertwining Feel aligned through the chemistry binding Thunder rolls from the heavens above When we enter the gates to the temple of love Want love oh oh oh We all need love oh oh oh We all want love oh oh oh oh Get it right in the heat of the night Walk the rope in the temple of sin Keep an eye on the records I spin Through the gates to the temple of love Where the DJ comes crashing From the heavens above Want love oh oh oh We all need love oh oh oh oh

We all want love oh oh oh oh

Get it right in the heat of the night We all want love oh oh oh oh We all need love oh oh oh oh We all want love oh oh oh oh Get it right in the heat of the night
