

# Hey, Hey (I'm Running Away) – C. Dorian

Why do I never sleep at night  
Why do I never get it right  
Don't You bad from my head  
Never could sleep like again  
Nothing new for me to do  
O keep on running run on through  
The night all right the night all right  
Hey hey i'm running away  
Hey hey i'm running away tonight  
Hey hey i'm running away  
Hey hey i'm running away  
I couldnt cut on get in on before  
He want hewant he doesnt want to know  
Another face it never place  
Cold on get it tree my days  
What you've done  
I'm sorry son nothing you can do but run  
Tonight all right tonight all right  
Hey hey i'm running away  
Hey hey i'm running away tonight  
Hey hey i'm running away  
Hey hey i'm running away tonight  
Hey hey i'm running away
